

MASTER SERVICE AGREEMENT

This Master Service Agreement (hereinafter referred to as the “Agreement”), made and entered into as of 14 April 2026, by and between:

Coripharma ehf, a company doing business at Reykjavikurvegur 78-80, 220 Hafnarfjordur, Iceland, hereinafter referred to as “**Sponsor**” (which expression, unless repugnant to the subject or context therein, shall mean and include its affiliates, employees, assignees, subsidiaries, nominees, agents & successors-in-interest) of the **FIRST PART**.

And

PHARMAZONE an Indian company, having its principal place of business at 402, Shafalya Elegance, Science City Road, Sola, Ahmedabad - 380060, India hereinafter referred to as “**Pharmazone**” (which expression, unless repugnant to the subject or context therein, shall mean and include its affiliates, assignees, subsidiaries, nominees, agents & successors-in-interest) of the **SECOND PART**.

WHEREAS Coripharma ehf. and Pharmazone wish to enter into this Agreement to have the Pharmazone perform the work in accordance with the terms of this Agreement; Pharmazone and Coripharma agree as follows:

RECITALS:

WHEREAS;

- i. SPONSOR is a pharmaceutical Company engaged inter alia in the business of developing, manufacturing and/or marketing of various finished dosage forms;
- ii. PHARMAZONE is a Company engaged inter alia in the business of various clinical research consulting services including Auditing/Monitoring, Regulatory Support, Medical Writing etc. for the pharmaceutical industry.
- iii. PHARMAZONE has represented and warranted to the Sponsor that it has the necessary skill, experience, expertise and necessary facilities/infrastructure to provide the services contemplated under this agreement.
- iv. The Sponsor has agreed to engage with PHARMAZONE on a non-exclusive basis for providing the services contemplated under this agreement, subject to the terms and conditions contained herein.

NOW THEREFORE, in consideration of the mutual covenants set forth herein the parties agree as follows:

ARTICLE 1. SCOPE OF THE AGREEMENT

1.1 During the term of this agreement, the terms and conditions herein contained shall govern the

Services to be provided by PHARMAZONE to the Sponsor under any subsequent individual agreement for specific services to be rendered referred to as a Project Contract. As a general form of contract, this Agreement allows the parties to contract multiple projects through the issuance of different Project Contracts (template attached as **Annexure I TEMPLATE OF PROJECT CONTRACT** of this Master Service Agreement) without having to renegotiate the basic terms and conditions contained herein.

- 1.2 The specific details of each BA /BE study, including but not limited to timelines and the Agreed Price shall be negotiated in good faith and agreed upon in the Project Contracts entered into between the Parties from time-to-time and on a product-to-product basis before commencement of a study with respect to that particular product.

ARTICLE 2. STATEMENT OF WORK

- 2.1 Sponsor wishes that Pharmazone do offer the research service of **Third party In process Monitoring of Bioequivalence/Bioavailability studies/Clinical trials, System's and Facility audit of CRO's, Regulatory affairs, and Pharmacovigilance services to Sponsor**. Pharmazone has the capability and interest in providing the same.
- 2.2 It is the duty of Sponsor to introduce Pharmazone to concerned CRO where they are planning BA/BE study in order to start communication. Sponsor will inform Pharmazone for the proposed timelines of the study in order to enable Pharmazone to plan its activities and resources in much efficient way.
- 2.3 Sponsor shall provide or ask CRO to provide all relevant documents or information like Study protocol, amendments or any other study specific documents.
- 2.4 Pharmazone will use its own formats for monitoring and audit after prior approval from sponsor. Sponsor may also provide their formats if needed.
- 2.5 It is duty of Pharmazone to provide Audit/Monitoring report to sponsor in timely manner and to communicate it with sponsor or CRO. It is also duty of Pharmazone to guide CRO for the corrective actions for the observations/findings found out during the Audit/monitoring.
- 2.6 Pharmazone will ensure the right conduct of BA/BE study in accordance with study protocol, Good Clinical Practices (GCP), Good Laboratory Practices (GLP), the ICH Guidelines and all applicable laws, rules and regulations and with the standard of care customary in the area of clinical research for pharmaceutical industry.

ARTICLE 3. TERM

- 3.1 The term of this agreement shall commence from the date of execution and shall be valid for a Period of **03 years** from the date of execution of this agreement, which may be extended or amended by express mutual consent of the parties conveyed in writing.

ARTICLE 4. CONFIDENTIALITY

- 4.1 During the term of this Agreement, either party may be given access to confidential information relating to the other party's technology, business activity, know-how, trade secret, products or services (hereinafter referred to as the "Confidential Information"). The parties agree to protect and maintain in the strictest confidence the Confidential Information.
- 4.2 Each Party shall protect the Confidential Information of the other party in the same manner that it protects its own information, and use the Confidential Information only in connection with the performance of this Agreement.
- 4.3 Each Party shall return all the Confidential Information to the other party upon request from the other party at any time during the term of this Agreement or thereafter, and upon the other party's request, it shall destroy all copies of the Confidential Information and all works which contain or are based on the Confidential Information.
- 4.4 The confidential obligations under this Agreement shall survive termination or expiry of this Agreement for a period of ten (10) years from the date of disclosure of the Confidential Information, unless such information lawfully becomes public through no fault of the receiving party prior to the expiry of such period.

ARTICLE 5. TIME FRAME

- 5.1 PHARMAZONE will provide Sponsor with the first draft of Monitoring Report (soft copy) within 03 working days after completion of Monitoring Visit. PHARMAZONE will send follow-up letter directly to CRO with prior information from Sponsor.

ARTICLE 6. PAYMENT

- 6.1 Sponsor agrees to pay the price and make the payments of the same in accordance with quotation/project contract and as amended from time to time upon mutual agreement and in writing (the 'Agreed Price').
- 6.2 PHARMAZONE reserves the right to cancel the monitoring of the study in case of non-receipt of payment as agreed above. PHARMAZONE will be entitled to proportionate payments in case a Study is terminated after commencement in accordance with Article 8 below.
- 6.3 The account should be settled among parties within a period of 31 (thirty-one days) without any interest from the date of invoice and thereafter interest on outstanding amount would be @ 15% p.a.

ARTICLE 7. RETENTION OF RECORDS

- 7.1 PHARMAZONE acknowledges that all raw data including site forms and Monitoring Reports are the exclusive property of the Sponsor. All these data must be retained by PHARMAZONE for the required period of time (presently 25 years) that is detailed and demanded in the applicable

guidelines on record retention in force at the time the Study is completed for that information which pertains to its services.

7.2 During the Retention period, all the documents shall be made available by PHARMAZONE for inspection by the Sponsor, the Sponsor's authorized agents and duly authorized official or regulatory body. PHARMAZONE will cooperate with the Sponsor in answering any queries raised on issued reports that result from the Monitoring.

ARTICLE 8. TERMINATION

8.1 Either party may terminate this Agreement with or without sufficient cause upon serving thirty (30) days written notice to the other party.

8.2 If a Study under a Project Contract is cancelled by Sponsor, the following cancellation fees shall apply:

- (a) More than 14 days before start of Agreed Monitoring Date: no cancellation fees
- (b) Between 7 to 14 days from start of Agreed Monitoring Date: 15% of the Project Contract value
- (c) Within 7 days before start of Agreed Monitoring Date: 30% of the Project Contract value

8.3 If a Study is terminated by a written notice by Sponsor after commencement and prior to completion, for reasons other than material breach by PHARMAZONE, Sponsor shall reimburse PHARMAZONE, within thirty-one (31) days of such notice, for all reasonable costs actually incurred and irrevocably committed up to the effective date of termination. If the amount previously paid by Sponsor exceeds the amount that is actually owed, then PHARMAZONE shall reimburse the balance to the Sponsor within thirty-one (31) days of receipt of notice of termination.

8.4 In the event a Study is terminated due to medical reasons including adverse events, then Sponsor agrees to pay PHARMAZONE all costs, expenses and obligations actually incurred / committed up to the effective date of termination.

8.5 Notwithstanding the above, in case of material breach, either party may immediately terminate this Agreement by serving a notice of breach to the other Party. Breach shall be defined as failure to comply with any material provision of this Agreement.

8.6 The termination or curtailment of this Agreement shall not relieve either party of its obligations to the other in respect to:

- Maintaining Confidentiality
- Obtaining Consent for Advertising or Publications
- Indemnification
- Compensation for Services Performed
- Appropriate Reporting of any Data Obtained

8.7 PHARMAZONE shall return to Sponsor all reports/documents/data including but not limited to the leftover/remaining consignments of the Product after the termination of the agreement or as and

when required by Sponsor. However, one copy can be retained by PHARMAZONE for archival/legal purposes.

ARTICLE 9. FORCE MAJEURE

9.1 A party shall be excused from performing its obligations under this Agreement to the extent its performance is delayed or prevented by any cause beyond such party's reasonable control, including but not limited to, acts of God, fire, explosion, disease, weather, war, insurrection, civil strike, riots, terrorism, government action, or power failure (a "**Force Majeure Event**") provided the affected party gives the other party prompt written notice of the occurrence of any Force Majeure Event and the nature and the extent to which the affected party will be unable to perform its obligations under this Agreement.

The affected party agrees to use commercially reasonable efforts to correct the Force Majeure Event as quickly as possible, to perform its obligations under this Agreement to the extent feasible given the Force Majeure Event, and to give the other party prompt written notice when it is again fully able to perform its obligations. Performance shall be excused only to the extent of and during the reasonable continuance of such Force Majeure Event, provided that either party may terminate this Agreement if such Force Majeure Event continues for a period of ninety (90) days or more. Any deadline or time for performance specified in this Agreement or the Protocol which falls due during or subsequent to the occurrence of a Force Majeure Event shall be automatically extended for a period of time equal to the period of the Force Majeure Event.

ARTICLE 10. PUBLICATION

10.1 It is understood that PHARMAZONE shall not receive any royalty payment as a consequence of the sale of the marketing of the test product.

ARTICLE 11. OWNERSHIP AND USE OF PROJECT RESULTS

11.1 All Project Results, including all reports, deliverables and work products generated by Pharmazone in the performance of the Services, shall be the exclusive property of Sponsor. Pharmazone retains ownership of its pre-existing background intellectual property.

11.2 Pharmazone shall not use, disclose, publish or commercially exploit any Project Results except as required for the performance of the Services or to comply with applicable laws, inspections or audits.

ARTICLE 12. ENTIRE AGREEMENT AND ORDER OF PRECEDENCE

12.1 This Agreement represents the entire understanding of the parties with respect to the subject matter of this Agreement. In the event of any inconsistency between the articles of this Agreement and the information provided by the Sponsor, the articles of this Agreement shall govern.

12.2 The parties have participated jointly in the negotiation and drafting of this Agreement. In the event that an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement. Except where the context otherwise requires, where used, the singular shall include the plural, the plural the singular, the use of any gender shall be applicable to all genders and the word "or" is used in the inclusive sense.

12.3 The captions of this Agreement are only for the convenience of reference.

ARTICLE 13. INDEMNIFICATION AND LIABILITY

13.1 Indemnification by Pharmazone

Pharmazone shall indemnify, defend and hold harmless Sponsor, its affiliates, directors, officers, employees and agents from and against any and all losses, damages, liabilities, penalties, fines, costs and expenses (including reasonable attorneys' fees) arising out of or in connection with:

- (a) any breach of this Agreement or any Project Contract by Pharmazone;
- (b) any negligent act, omission, gross negligence or willful misconduct of Pharmazone or its personnel;
- (c) any failure by Pharmazone to comply with applicable laws, regulations, guidelines or standards, including but not limited to GCP, GLP, ICH Guidelines;
- (d) any breach of confidentiality or data protection obligations under this Agreement.

13.2 Exclusion of Indirect Damages

Neither party shall be liable to the other for any indirect, incidental, consequential or punitive damages, including loss of profit or loss of business, arising out of or in connection with this Agreement, except to the extent resulting from gross negligence, willful misconduct or breach of confidentiality or data protection obligations.

ARTICLE 14. ASSIGNMENT

14.1 This Agreement shall not be assigned by either party without the prior written consent of the other, to any third party.

ARTICLE 15. NO PARTNERSHIP OR AGENCY

15.1 It is understood that this Agreement does not constitute PHARMAZONE as the agent or legal representative of the Sponsor for any purpose whatsoever, and accordingly, PHARMAZONE is not authorized to assume or create any obligation or responsibility, express or implied, on behalf of or in the name of the Sponsor.

ARTICLE 16. SEVERABILITY

16.1 The invalidity or unenforceability of any term or provision of this Agreement shall not affect the validity or enforceability of any other term or provision of this Agreement.

ARTICLE 17. NOTICE
